Hi Meghan,

Sorry that I didn't respond on Friday, I was out of the office.

It didn't post on Friday. Should be sometime this week. I'll let you know when it does.

Thanks,

Emily

Hi Emily,

Can you tell me if the 2,4-D proposed decision is being posted to the docket today? I ask because EFED had a number of comments to share with USDA on their EIS, but we were waiting to send them until EPA's proposed decision was made public. If EPA's 2,4-D docket opens today, then we can share our comments with USDA right away.

Thanks!

Meghan
